

The cover of the album **ULTIMA RARA - The Bussotti Circle** shows a small album sheet (*movimento commensale*) that Sylvano Bussotti added, quasi as a frontispiece, to my sketchbook with personal notes, regarding the rehearsals of Bussotti's chamber-composition **CIRCO MINORE** (performed on Castello di Brunnenburg in September/October 2001 by Hidehiko Hinohara and his wonderful ensemble **elastiko** - spazio sonoro contemporaneo <http://www.elastiko.org/it/index.php>)

The tiny album sheet is titled "Sylvano & Hans-Jürgen" ... the musical cast is held free.
